As At: 12/07/2024

NOTES:

All handicaps are calculated broadly according to the R&A World Handicap calculation methodology - as confirmed by the Portuguese Golf Federation - excluding a few items detailed on the website.

Where a Member provides an Actual World Handicap Index and this has been inputted, this will over-write the handicap calculated by the model based on submitted scores.

All handicaps for SBGS members will now be calculated on this basis from the February 2024 Monthly Stableford on 02.02.24 - utilising all historic SBGS scores from 01.09.21.

The system enables us to capture the scores of rounds played during the month - for example by Members of SBGS - who are members of the Quinta club on play there on a weekly basis.

It is possible to capture scores of rounds played at other courses as well. If you would like to find out whether this is possible for you, please contact Christian Parn.

An updated version of this schedule will be posted as soon as possible after each SBGS event and on the Monday before each event.

The "As At" date reflects the date of the latest card/s inputted into the system.

Should you have any queries regarding these handicaps, please contact Christian Parn or Robin Moore
